 Description:

We are proud to present this Beautiful Semi Detached Villa located in a popular village of Sucina, Murcia, which is walking distance to all amenities such as bars, restaurants, supermarkets, doctors, dentist, pharmacy and much more. The property consists of 2 bedrooms with wardrobes, 1 renovated bathroom, living/dining area and a renovated fully fitted kitchen with appliances. The property benefits from spacious sunny terraced areas to the front and side of the property along with an outside staircase leading to a private roof solarium. Additionally, the villa includes air conditioning, space for a private pool if desired, and is being sold partly furnished.

Sucina is described as a large village or small town. It has a charming centre complete with a beautiful church square surrounded by bars and restaurants and is located around 18 km or 15 minutes drive from the beach resorts of The Mar Menor. Being a short distance inland it is less geared towards tourism and is ideal for those looking for a more relaxed, residential environment. It is located close to the new International Airport and within a short drive of many of the region's superb golf resorts. The nearest of which, Hacienda Riquelme, is just 3.4km away. Sucina has become a very popular choice for both regular visitors and expats relocating to the area permanently from the UK and other Northern European countries. It has plenty of local amenities including 2 supermarkets, restaurants, bars, banks, parks, health centres, a pharmacy, clothes shops, fresh food shops, a hardware store, petrol station as well as a number of other services and leisure facilities
