Description:

AMAZING PANORAMIC VIEWS!! LUXURIOUS CUSTOM DESIGNED VILLA, IMPRESSIVELY DESIGNED, ENJOYING 3 SPACIOUS BEDROOMS WITH A FABULOUS LARGE PRIVATE POOL. BUILT TO THE HIGHEST STANDARDS AND CREATED BY HIGHLY ESTEEMED DEVELOPERS IN MIJAS.

Set in the Sierras de Mijas, this contemporary hillside escape is a fusion of straight lines, modernist details and floor to ceiling windows which take advantage of the amazing views across the andalusian countryside towards the Mediterranean and the North African coastline in the far distance. Adding to this wonderful design, a lift can easily be installed - purposefully built and spans each floor from the private garage below, bedrooms and the living accommodation which all look over the breathtaking coastline.

The owners have achieved a sophisticated home with their attention to detail and high end finish. On entrance to the main hall with contemporary stairway to the living accommodation above. On this first floor, there are the 3 exclusive bedrooms: Impressive Master double suite with a walk-in dressing area and designer bathroom including a large walk-in shower, sink, W/C & bidet. Bedroom 2 & 3 are both spacious double bedrooms with a family bathroom with W/C, sink, walk-in shower. All the bedrooms boast sliding doors out to the stunning terraces surrounding the Villa and beautiful pool area with the backdrop of the amazing views, whether it be the awesome mountains behind this spectacular setting - or

the superb Mediterranean coastline shimmering in all its glory.

Upstairs, hallway which draws the eye immediately to the open plan lounge and dining area with floor to ceiling sliding doors out to the south facing terrace, truly spectacular views!

The modern new kitchen is set behind and can easily be made open to the lounge if this appeals, currently separate and all complete with top of the range appliances - 4 ring electric hob, large electric oven, American style fridge freezer, combi microwave, coffee machine, composite granite tops, designer sink & a breakfast area. The washing machine is located downstairs in a separate utility area.

There is also a lovely terrace to the side, perfect for barbecues and for family staying whether it's sun or shade, this property can offer all options in its superb grounds and beautiful terraces.

The lower floor with the private garage accessed via the contemporary stairs to the main house or the lift if you so wish to install, so much thought has been given to the design - a beautiful home only minutes from the idyllic white washed village with the bus service close by, restaurants and much more - truly must be seen to be appreciated!!

Mijas Pueblo or known locally as the white village sits in the foothills of the Mijas Mountains some 428m above sea level. The village provides some of the most stunning and breath-taking views of the surrounding areas down to the coast, inland and the rugged rocky landscape.

The village is not only very popular with tourists visiting for the day or vacationing in the village but with local residents from nearby towns and villages. The attraction of Mijas Pueblo is the authenticity the village provides of the Spanish way of life from the cobbled streets, white washed walls and array of artisan shops and boutiques to the many traditional festivals celebrated from the main plaza (square) sat centrally in the village.
