Description:

Nestled in the highly desirable village of Oroklini, this elegant one bedroom apartment offers the perfect blend of modern design and serene coastal living.

Oroklini lies in the Larnaca district, just a short drive from Larnaca town centre and Larnaca international Airport. The area is celebrated for its natural beauty — from the tranquil Oroklini Lake, a protected wetland frequented by migratory birds, to the gently rolling hills and panoramic views south towards the Larnaca coastline. Oroklini is also known for its welcoming village atmosphere, local

tavernas, historic chapels, and its well-kept Blue Flag beach — all within easy reach.

This apartment is part of a brand-new development comprising 11 units spread over three levels, offering a boutique and intimate community feeling. Positioned on the first floor, the layout begins with an inviting open-plan living, dining, and kitchen area — designed for flow, light, and comfort. From here, sliding doors open onto a spacious covered veranda, extending your living space and creating a seamless indoor-outdoor experience — perfect for relaxing evenings or entertaining.

The sleeping accommodation includes one well-proportioned bedroom and a separate bathroom.

Practicality is not overlooked: the apartment comes with a private covered parking space, and the building includes provision for an electric car charger, catering to modern lifestyle needs.

Location is a standout: the property is within walking distance to the beach, offering owners easy access to Oroklini's sandy shore and watersports amenities. It's also a peaceful yet well-connected spot — close to local shops, restaurants, and the natural reserve of Oroklini Lake.

Whether as a permanent home, holiday retreat, or investment, it represents an exceptional opportunity in one of Cyprus's most sought-after locations.
