Description:

Perched on the scenic hills of Peyia, this charming 3 bedroom detached villa offers a peaceful residential setting with easy access to the area's vibrant village centre and stunning coastline. Peyia is well known for its hillside views, relaxed atmosphere, and proximity to the famous Coral Bay beach, making it a sought-after location for both permanent living and holiday escapes.

The villa forms part of an attractive development comprising 26 detached and semi-detached homes, thoughtfully arranged to create a welcoming community environment.

Upon entering, you are greeted by a bright open-plan layout that combines the living, dining, and kitchen areas. Large patio doors fill the space with natural light and open onto a covered veranda, extending the living area outdoors and leading to the private garden.

One of the three bedrooms is conveniently located on the ground level, along with a bathroom, ideal for guests or for those seeking single-level living options. Upstairs, the property features two additional bedrooms. The master bedroom benefits from its own ensuite facilities, while the second bedroom is served by a separate bathroom on this floor.

Residents of the development also enjoy access to a communal swimming pool, providing a relaxing spot to unwind and soak in the Mediterranean sunshine.
