Description:

Spacious commercial premises with a mezzanine located next to Avenidas and Clínica Rotger, in a strategic and very central location in Palma. A space with great exterior visibility, impressive ceiling height and multiple possibilities of adaptation, ideal for developing different types of commercial activity, showroom, creative studio, offices, exhibition, workshop, warehouse or sports activities such as martial arts, boxing, pilates and other wellness disciplines.

The property stands out for its spaciousness and open-plan structure, offering a feeling of space that is very unusual in the city centre. The main entrance has large glass doors of considerable height and closure by metal security shutters, providing natural light and an important commercial presence from the outside.

On the ground floor we find a large open space of approximately 200 m², with ceilings that in some areas exceed five meters in height, concrete floor and walls in original condition, ideal to adapt and customise according to the needs of each project. On this floor there is also a complete toilet with shower and a separate area for storage and electrical panel.

From the ground floor there is access by stairs to the mezzanine, an open space of approximately 115 m² that visually functions as a large interior balcony with an exterior window, providing spaciousness and multiple possibilities for additional use such as an office, exhibition, work area or storage.
