Description:

Located on the second and top floor of one of Carvoeiros most exclusive residential resorts, this elegant 3-bedroom apartment offers a rare lifestyle experience in the Algarve: frontal sea views, large sun-filled terraces and immediate ready-to-move-in comfort.

Fully furnished and decorated, the apartment is sold with its furniture, lighting, equipment and decorative elements included in the price, as well as a full range of Bosch appliances. It is an ideal choice for private use, a high-end holiday home, a refined pied-à-terre in the Algarve or a long-term property investment in one of Europes most sought-after coastal destinations.

Rare usage flexibility within a high-end resort

One of the key advantages of this apartment is that it is not subject to the residences mandatory rental programme. The future owner therefore retains genuine freedom of use, whether as a private retreat in the Algarve, a simplified rental investment opportunity through the integrated reservation and management centre, or a mixed-use property according to their own needs.

Frontal sea views and seamless indoor-outdoor living

The apartment benefits from an east-south-west orientation, providing exceptional natural light throughout the day.

Thanks to large floor-to-ceiling windows, the entire apartment opens naturally onto the terraces. The three suites, as well as the main living areas, have direct access to the outdoor spaces, creating a true sense of continuity between the interiors, natural light and ocean views.

With a total surface of nearly 50 m², the terraces allow full enjoyment of the Algarve lifestyle, whether for a sunny breakfast, relaxing by the sea or entertaining in an elegant and peaceful setting.
