Description:

Located in Lassithi.

This charming 103 sq.m. residence in Neapoli offers a unique opportunity to own a home with character just steps away from the town center. Situated on a gated 158 sq.m. plot, the property is fully fenced and has a yard featuring garden with lemon trees and a backyard. While the house is currently habitable, it presents an ideal canvas for a creative renovation to truly unlock its historic potential.

The single-level interior boasts five rooms, including a living room, a separate kitchen, and three bedrooms—two of which feature convenient built-in wardrobes—as well as a full bathroom. With its high wooden ceilings and original tile floors in the corridor, this home feels both elegant and historic. It is a rare find in a great central location—perfect if you want a modern lifestyle with a vintage feel.

Neapoli is a small but very lively town only a 10 minute drive from the tourist town of Agios Nikolaos, Crete.

There are dozens of shops, restaurants, cafes and amenities in the town as well as a hospital.

The international airport of Heraklion is less than a 30 minute drive from Neapolis.

Within 10-15 minutes drive there is Agios Nikolaos, the capital of the Lassithi region with all the amenities but also a very popular tourist destination with wonderful sandy beaches.
