Description:

Located in St. Peter.

Tucked away on a quiet cul-de-sac just moments from the beach, Monkey View is a beautifully appointed single-level home that perfectly blends timeless Barbadian architecture with laid-back island luxury. Surrounded by lush gardens and complete with a private pool, this inviting retreat offers all the charm and comfort of a true West Coast hideaway.

From the moment you step through the columned entrance, Monkey View feels like home. The open-plan living and dining area is bright and welcoming, featuring coral stone accents, vaulted ceilings, and French doors that open seamlessly to the terrace and pool. The interiors are tastefully furnished in soft neutral tones, accented by natural textures and tropical details that echo the beauty of the island outside.

A fully equipped kitchen with warm wood cabinetry, granite countertops, and modern appliances makes dining easy — whether prepared by your private chef or enjoyed casually at home.

Outdoor Living

Designed for relaxed Caribbean living, the outdoor space is the heart of the villa. The covered terrace features a lounge area, al fresco dining, and a sleek bar overlooking the pool — perfect for long lunches and sunset cocktails. The pool is framed by potted palms and sun loungers shaded by navy umbrellas, offering complete privacy and tranquility.

The surrounding gardens are lush and vibrant, with flowering hedges and tropical greenery that create a peaceful, secluded ambiance.
