Description:

Located in Road View.

Set within the beachfront community of St. Peter's Bay, Penthouse 501 is a rare five bedroom, five bathroom deluxe penthouse that lives with the scale and presence of a private villa while offering the ease of a managed beachfront estate. Spanning approximately 6300 square feet across two full levels, this renovated and fully furnished residence delivers volume, privacy, and uninterrupted sea views from nearly every vantage point.

This is a true deluxe penthouse, with two expansive levels that create natural separation between entertaining spaces, living areas, and bedroom suites. The main living level has been beautifully renovated and features a striking open plan layout anchored by a large kitchen island, ideal for casual dining, hosting, and everyday living. The flow from kitchen to dining to lounge feels effortless, extending seamlessly onto a deep ocean facing terrace designed with distinct areas for dining and relaxation. From here, a private lift provides direct access down to the beach, a wonderful feature that enhances both convenience and exclusivity.

Upstairs, the sense of space and privacy continues. Five generous bedroom suites, all en-suite, offer comfort for family and guests, with some bedrooms enjoying their own private balconies that capture elevated sea views and cooling breezes. As a prized end residence in Building One, the penthouse benefits from additional light, enhanced privacy, and sweeping panoramic views that feel bold and immersive. A dedicated bespoke office is also thoughtfully outfitted, offering guests a quiet and refined space to work when needed.

Crowning the residence is a private rooftop terrace that elevates the entire experience. A covered dining area, jacuzzi style plunge pool, and expansive sea views create a setting that is both relaxed and unforgettable. Whether hosting sunset dinners equipped with your own barbecue grill and outdoor kitchen, or enjoying quiet evenings under the stars, this upper level feels entirely your own.

Ownership at St. Peter's Bay includes access to a full suite of amenities designed to complement beachfront living. Residents enjoy a lagoon style swimming pool surrounded by landscaped gardens, direct access to a wide stretch of white sand beach, and complimentary non-motorised water sports including paddle boarding, kayaking, and snorkelling. The on-site Gazebo Bar and Grill offers beachfront dining just steps from the water, with other on-site facilities such as a fitness centre, secure gated entry, and twenty-four hour security ensure a seamless and secure environment.

Located just minutes from Speightstown and a short drive to Holetown, this address offers both convenience and a genuine sense of privacy. Importantly, Penthouse 501 is only one of three duplex penthouses within the entire estate of just 57 private residences, making it an exceptionally limited opportunity within one of Barbados' most established beachfront communities.
