Welcome to a world where the turquoise horizon of the Red Sea meets the pinnacle of modern architectural design. The Aqua Tropical Resort stands as a magnificent testament to luxury living in Egypt, marking the second prestigious chapter in the renowned Aqua Group of Resorts. Following the massive success of its sister developments—the vibrant Aqua Palms Resort and the sophisticated Aqua Infinity Resort—Aqua Tropical offers a unique fusion of tropical aesthetics and desert elegance.

A Location Without Equal

Positioned in the burgeoning northern district of Hurghada, the Aqua Tropical Resort boasts a location that is as strategic as it is beautiful. Whether you are a water sports enthusiast or a seeker of tranquility, you are perfectly placed:

*

A Seaside Sanctuary: Just a 10-minute leisurely stroll from the resort's gates lie the pristine shores of the Red Sea. Known globally for its crystal-clear waters and vibrant coral reefs, this proximity ensures that the beach is an extension of your front yard.

*

The Millionaire's Playground: A mere 5-minute drive brings you to the world-renowned gated community of El Gouna. Often referred to as the Venice of Egypt, El Gouna offers high-end marinas, championship golf courses, boutique shopping, and an array of international fine-dining restaurants. Living at Aqua Tropical allows you to enjoy the 'El Gouna lifestyle' while benefiting from more competitive property values.

Architectural Brilliance and Resort Amenities

The Aqua Tropical Resort has been engineered with a 'light-first' philosophy. Every angle of the building has been carefully calculated to maximize natural sunlight, creating bright, uplifting interiors that reflect the energy of the Egyptian sun.

The resort's layout centers around a magnificent aquatic courtyard, featuring:

*

Three Expansive Swimming Pools: Designed for all ages, the pools offer a refreshing escape from the heat, ranging from quiet lounging zones to more active areas.

*

Lush Sunbathing Terraces: Surrounding the pools are large, elegantly paved terraces equipped with premium loungers, providing the perfect setting for a cocktail and a book.

*

The Poolside Café & Restaurant: Heart of the resort's social life, this venue serves a variety of local and

international cuisines, ensuring that gourmet dining is never more than a few steps away from your door.

Aqua Tropical Resort is located just 10 minutes' walk from the shores of the Red Sea and 5 mins drive from the gated millionaire's playground of El Gouna, Aqua Tropical Resort gives you the possibility to live the El Gouna lifestyle without the El Gouna price tag.

Just 15 min away it is Hurghada. Hurghada is a city in the Red Sea Governorate of Egypt. It is one of the country's main tourist centres located on the Red Sea coast.

About the Area

Hurghada was founded in the early 20th century. For many decades it was a small fishing village, but it has grown into a major Red Sea resort as a result of Egyptian and foreign investment that began in the 1980s. Holiday resorts and hotels provide facilities for windsurfing, kitesurfing, yachting, scuba diving and snorkelling. The city is known for its water sports, nightlife and warm weather. Daytime temperatures are around 30 °C (86 °F) most of the year, and during July and August temperatures can reach over 40 °C (104 °F).

Hurghada is a popular holiday destination for Europeans, especially during the winter, and some spend Christmas and New Year there.

Hurghada extends for about 36 kilometres (22 mi) along the coast but does not reach far into the surrounding desert. The resort is a destination for Egyptian tourists from Cairo, the Delta and Upper Egypt, as well as package holiday tourists from Europe.
