Description:

Situated in one of Bali's most peaceful and pristine coastal villages, this outstanding villa development is just a one-minute stroll from the black sand beaches of Seseh Beach, showcasing stunning panoramic views of the Indian Ocean and the distinctive outline of Mount Agung. Ideally located between the cultural richness of Tabanan and the lively atmosphere of Canggu—only 15 minutes away—this private gated community offers an unparalleled blend of serenity, convenience, and natural beauty. Surrounded by Bali's protected "Green Belt," the landscape of verdant rice fields and traditional Balinese lifestyle remains beautifully preserved, making this a truly unique and invaluable location on the island.

Each three-bedroom villa offers 332 sqm of thoughtfully planned living space over three floors, positioned on a 250 sqm land plot with a private pool. The interiors meet the highest European standards, featuring premium marble and wood finishes, custom furnishings, and careful attention to every detail. Floor-to-ceiling windows fill each room with natural light, while expansive rooftop terraces provide residents with a place to relax while enjoying sweeping views of the ocean and volcano. From the tastefully designed bedrooms to the elegant living and dining areas, every aspect has been intentionally selected to create a living experience that perfectly combines contemporary luxury with the enduring warmth of Balinese style.

Beyond the villas themselves, residents enjoy a full range of world-class amenities and services. These include a dedicated reception and mini lounge, shuttle service, 24/7 security monitoring, professional property management, and luxury housekeeping, all ensuring a seamless lifestyle whether living in the villa or renting it out. This development offers not only an attractive lifestyle but also a strong financial

investment—an exceptional combination of genuine luxury living and high rental demand in one of the world's most desirable destinations.

****Villas in this exclusive development start from USD 787,500.****
