Description:

This fantastic 3 bedroom Villa for sale in Costa Nova, Javea was built in 2006 with a constructed area of 135.40m2.

It was designed according to the existing plan, with a bedroom on each wing of the lower level, and the third in the tower upstairs. There are also three bathrooms, one en-suite in the tower bedroom, and an en-suite in one of the downstairs bedrooms. There is also a second main bathroom downstairs. All the bedrooms have built-in wardrobes.

There is an open living/dining room, which leads out to a covered terrace and swimming pool area. This plot is approximately 1014m2 and elevated, therefore offering the possibility to use a part of the underbuild as a storeroom. The property is located in a very quiet and pleasant area only 3km from the Granadella Beach, and within walking distance of local amenities. The villa is fitted with double-glazed uPVC windows, which will all have decorative, artificial stone surrounds, and a 10,000 litre water deposit. Entrance to the property is via a gate and there is an intercom installed. The villa has an 8x4m kidney shaped swimming pool and an elevated pool terrace of 50m2. The pool terrace is surrounded by a balustrade looking out at the open views. There is also a driveway and parking area of approximately 150m² (suitable for 3-4 cars), and retaining walls of 'Rocalla' (natural rock) of approximately 125 m². The price includes all earth movements necessary for optimal utilisation of the plot. There is pre-installation for air-conditioning, and the heating is supplied by gas underfloor

heating. There is also a small fireplace in the living room.
