Description:

This attractive detached corner house stands out due to its peaceful location with open views of nature, offering great potential for comfortable living or as a holiday property.

With approx. 96 m² of living space, the property offers 3 bedrooms and 2 bathrooms, making it ideal for families or guests. The house is set on a 235 m² plot, whose layout and corner position provide a pleasant level of privacy.

A special highlight is the outdoor whirlpool, perfect for relaxing under the open sky. In addition, there is an outdoor shower and a practical small storage shed. Solar panels are already installed on the roof, making the property more energy efficient and sustainable.

Thanks to the size of the plot, there is also the possibility to build a swimming pool if desired – there is enough space available.

A private parking space is also included. The location is very convenient: approx. 5 km to the beach, 1 km to shops and leisure facilities, about 25 km to the airport, and 15 km to the golf course.

The property was built in 1989.

A solid home with great potential, a good location, and attractive outdoor features – ideal for those who value nature, peace, and customization possibilities.
