Description:

This is an exceptional property in the heart of NANTEUIL-EN-VALLEE. The main house and the two gites have been renovated and decorated with impeccable taste, and this attention to detail continues out onto the sun-filled terrasse and the pathway of steps leading up to the swimming pool and lawn. There are six bedrooms and four bathrooms in total, and all three properties are light-filled.

With the 3 garages, there is ample parking space for yourself and gite guests. You can then stroll to the restaurants, bars and local commerce on foot admiring the peacefulness of the village. An added bonus is that the property is connected to mains drains with an excellent DPE rating of C.

This is a property not to be missed! Watch the video to have a virtual tour and discover it's charm for yourself!
