Description:

Here we have a well maintained spacious home on a great street in the heart of Pruna .

The double fronted facade is well presented and beyond the door you have a classic layout with original features , well maintained wooden beams adding to the charm .

Ground floor entering from the Zaguán entrance hall there's a large reception area off which to the front are two bedrooms both with windows over the street, one has an ante room which works as a wardrobe area . An arch leads through to a spacious dining and living area which is light and bright with direct access to the patio area, off this dining and living area there is a fully fitted family bathroom

There is another dining and living room with built in fire place to the right of this space which leads into the simple kitchen , up a couple of steps from the kitchen is a kind of graden / patio room with large windows and glass doors out to the patio , there is a neat tiled shower room here too , beyond this area is a very spacious store room .

The patio is a large shady delight that can be enjoyed all year round ,it also houses a well , great free water supply for plants and pools ! the gardeners amongst you could make it amazing with planters and raised beds .

Up stairs is basically partially divided to give 2 enormous bedrooms and a sitting area , its a blank canvas with a roof that was newly constructed in the early 2000's , it has the full height ceilings and feels very airy .

Main points to note.

Located on a wide street with easy parking

The house is in good move in ready condition but could benefit from some updating.
