### Description:

Located in the sought-after village of Caux, in a peaceful and privileged setting, this beautifully renovated single-storey villa offers a rare lifestyle where outdoor living takes center stage.

From the moment you enter, the property impresses with its bright and spacious open-plan living area of over 53 m2, featuring a contemporary kitchen seamlessly connected to the lounge and dining area, creating an inviting and elegant space opening onto the surrounding terraces and landscaped garden.

The sleeping area includes three bedrooms, among which a comfortable master suite with its own private shower room, as well as an additional independent bathroom finished to a high standard.

Set on a magnificent landscaped plot of 1,174 m2 — a truly rare feature in Caux, where properties often offer much smaller plots — this villa stands out thanks to its exceptional outdoor spaces designed to fully embrace the Mediterranean lifestyle: several terraces surrounding the house, beautifully designed relaxation areas, mature gardens, and a stunning swimming pool completed in 2024.

Originally built in 1996, the villa underwent a complete interior renovation in 2021, including the kitchen, finishes, fittings, and facade, resulting today in a turnkey property combining modern comfort with

refined style.

A rare opportunity in the area, ideal for buyers seeking privacy, generous outdoor spaces, and quality features in an elegant South of France setting.

Viewing highly recommended.
