 Description:

Exclusive Villas Above the Albanian Riviera Radhima Hills is an exclusive residential villa development located on the gentle hillside overlooking the Radhim Promenade one of the most desirable and rapidly growing coastal destinations on the Albanian Riviera. Designed for those seeking privacy comfort and breathtaking sea views the project features contemporary villas created by the renowned architectural studio CAL New York combining elegant design functionality and seamless integration with the surrounding landscape. Each villa is thoughtfully designed to meet the highest construction standards offering spacious living areas abundant natural light and a perfect connection between indoor and outdoor spaces. Depending on the selected layout villas may include a private swimming pool underground garage landscaped gardens and premium outdoor living areas. The elevated location provides panoramic views of the Ionian Sea while maintaining the tranquility and exclusivity that only a hillside setting can offer. Just minutes away from the crystal clear beaches of Radhim Radhima Hills delivers a unique lifestyle experience where luxury nature and convenience come together. As the only dedicated villa development in Radhim the project represents a rare opportunity for both residential living and long term investment in one of Albania's most promising coastal areas.
