Why Choose This Unit

- Ideal for buyers seeking a modern sea view home, holiday property, or rental investment in central Hurghada
- Fully finished with smart technology, professional management services, and low-maintenance ownership
- Enjoy a contemporary lifestyle with rooftop leisure facilities, swimming pools, and resort-style services
- High rental demand, strong tourism market, flexible payment plans, and excellent long-term resale potential

Project Overview

Lunar Project is a modern residential development designed to combine luxury living with strong investment value in one of Hurghada's most desirable locations. The project offers contemporary architecture, hotel-standard finishing, professional management services, and secure ownership through a Green Contract. Residents benefit from resort-style facilities, dedicated maintenance services, and rental management support. The combination of location, quality construction, and flexible payment plans

makes Lunar attractive to both investors and end users. With completion scheduled for May 2027, buyers can secure a premium property with significant future growth potential.
