Description:

Casa Pacha Residences is an exclusive new-build development located in Marina Botafoch, one of Ibiza's most prestigious and sought-after addresses. Adjacent to the iconic Pacha Hotel, this unique residential project combines contemporary architecture, design inspired by the spirit of the island, and an exceptional collection of services connected to the Pacha universe.

Set on one of the last development opportunities within this privileged area of Ibiza, Casa Pacha Residences represents a rare offering in a market where land scarcity and strict planning regulations make projects of this calibre increasingly difficult to replicate.

Inspired by Flower Power, one of Ibiza's most iconic cultural concepts, the building is distinguished by its organic forms, expansive terraces and elegant aesthetic, reflecting the island's energy, creativity and Mediterranean lifestyle. Each residence has been thoughtfully designed to offer a unique living experience, featuring sophisticated interiors, natural materials and spaces that embrace Ibiza's light and surroundings.

The residences feature generous private terraces and swimming pools, while owners benefit from a comprehensive range of premium services, including concierge assistance, spa and wellness facilities, daily housekeeping, 24-hour security, unlimited VIP access to Pacha Ibiza and exclusive privileges across Pacha and FIVE destinations worldwide.

More than a luxury residential development, Casa Pacha Residences offers the opportunity to become

part of one of Ibiza's most recognised legacies, closely linked to the culture, creativity and lifestyle that have made the island an international icon.

Casa Pacha Residences presents an exceptional opportunity to acquire a luxury home in Ibiza within a truly unique development, designed for those seeking privacy, design excellence and an authentic connection to one of the Mediterranean's most exclusive lifestyles.
