Description:

Located in the prestigious area of Foz Velha, this property stands out for the rarity of its location and the fact that it already has a Prior Information Request (PIP) approved for the construction of a new single-family house.

This property represents a unique opportunity to develop a contemporary villa in one of the most exclusive and valued areas of the city of Porto. The approved PIP provides for the construction of a residential building distributed over a basement and three floors above the threshold level, allowing the creation of a modern house adapted to current requirements.

Features:

Location: Foz Velha
PIP approved for new construction
Intended use: Single-family housing
Land area: 104.37 m²
Total approved construction area: 222.60 m²
Implantation area: 86.20 m²

Basement + 3 floors above threshold level
Number of dwellings: 1
Project framed in the urban fabric of Foz Velha

The true value of this property lies in the combination of the premium location and the urban security already ensured by the approved PIP. In a market where the scarcity of building land in Foz is a reality, this represents a rare opportunity to develop a high-end villa in one of the most emblematic areas of Porto, with strong potential for future appreciation.

Location

Located in Foz Velha, one of the most historic and exclusive areas of the city of Porto, it benefits from the proximity to the beaches, the Atlantic waterfront, reference restaurants, local shops and essential services. The surroundings are characterized by traditional architecture, quiet streets and prestigious residential environment, making this location one of the most sought after for own housing and investment.
