Description:

A large hillside land plot with sea views is available for sale in Koh Kaew. This 33,760 sqm / 21 Rai + 22 Sqw land has great views of the Andaman East Coast. It is in a quiet area and has great potential for development. This is one of the few plots this size still available in the area and is close to many amenities including shopping, restaurants and schools. It's about a 10 minute drive to BIS and Boat Lagoon.

The land has a gravel access road and electricity to the main road. It holds a Chanote title and would be an ideal setting for an upscale villa development or a hotel.
