Description:

Location and Setting

The proximity to the river allows you to enjoy an unobstructed view over the water, while ensuring easy pedestrian access to a vast network of traditional shops, services, restaurants and public transport

Property configuration:

The organization of the apartment is done from a central entrance hall, which establishes the connection to the other rooms, functionally separating the social area from the rest area.

The housing has:

Three bedrooms with good natural light;

Two bathrooms

Kitchen with access to a balcony that has been transformed into a sunroom, ideal for laundry or extra storage space;

Living room with direct access to a second balcony, facing the river.

Additional Attributes

The apartment also includes a parking space, a substantial asset in this area of the city, ensuring ease of parking and security for the vehicle.
