Description:

This excellent plot is located in a peaceful and easily accessible area, ideal for those seeking quality of life combined with breathtaking ocean views. Its west-facing orientation provides unforgettable sunsets.

Situated within a low-density development zone, the land allows for the construction of a detached or semi-detached house, offering flexibility for different architectural concepts.

The terrain is highly favorable, featuring flat terraces that significantly simplify construction and help reduce building costs. Additionally, developing the project across different levels can further optimize both functionality and overall investment.

A solid opportunity for investment or to create a distinguished residence in a unique natural setting. - REF: VSM013
