Listing details

Property for: Rent

Location

Country: Italy
Posted: Jun 24, 2026
Description:

Campo di San Silvestro, despite being very central and very close to the Rialto Bridge, is one of the lesser-known crossroads and therefore one of the quietest in terms of tourist flow. The façade, with its three-light mullioned windows, hints at its architectural age despite a modest entrance." data-next-head=""/>
