Description:

It's rare to find a property that combines so many important elements, however, West Beck House is one such property.

Pull into your allocated residents' parking space next to the front of the building you'll notice you're just a few convenient steps from the lobby. Once inside continue to your front door; home at last.

Once inside and into the hall and you'll be struck by the exceptional quality of finish which is evident in every room. Hang up your coat in the hallway cupboard and then to the front of the apartment and into your bedroom with an en-suite shower room.

Back into the hall and to your second bedroom again noticing the decoration and superb quality of finish.

The fully fitted modern kitchen is next with its range of high-quality wall and base units; so easy to imagine sitting here enjoying your morning coffee. And whilst the kitchen is beautiful, it's the living room where this beautiful home comes into its own. A spacious room, with French doors opening onto a decked area and the peace, privacy and tranquillity of the shared garden.

Whether you're downsizing to something more manageable, looking for your first home or need a 'lock up and leave' pied-a-terre, this gorgeous apartment has it all.

To see this true turn-key property, call now to arrange your viewing.

We Love: There is so much to commend this apartment but its standout feature must be its location in the building and the access outside. Tranquil and private, on a sunny day, its west-facing orientation is going to be hard to beat.
