Description:

Detached villa for sale in Benissa on the Costa Blanca with 2 separate living levels. Central location. Some sea views and views of the Peñon. Very suitable for rental.

This detached villa on the Costa Blanca combines a quiet location with excellent accessibility to all daily amenities. A property suitable for permanent residence, as a holiday home, or an investment in Spain.

Description

The well-maintained villa is situated on a nearly flat plot and offers parking space for two cars on the property. On the main floor, we find a glazed sitting area, a spacious, fully equipped kitchen with dining area, two bedrooms, a renovated bathroom, and a large laundry/storage room. The bedrooms are equipped with ceiling fans and have French wooden doors.

The lower level was renovated about 10 years ago. This self-contained living area consists of a living-dining room, kitchen, 2 bedrooms, and two bathrooms. During the renovation, the electrical installations were updated and double glazing and PVC frames were chosen. Solar panels were also installed to provide domestic hot water, with a tank that has recently been replaced.

Outside, there is a pool with a sun terrace, a seating area, and a barbecue area with dining space. There is a wooden garden shed and a low-maintenance garden.
