Panoramic Sea Views | Sun-Drenched Terraces | Peaceful Residential Setting

For those who dream of long, warm Mediterranean summers with the sea always in view, this beautifully maintained villa delivers exactly that. Tucked away in the tranquil residential area between Granadella and Costa Nova, the property sits on an elevated 900m² plot, giving the 130m² home a rare sense of privacy and space, along with sweeping views over Jávea's blue waters.

The Home

Spread across two levels, the villa is arranged to make the most of its elevated position and sea outlook:

Main Level: An open-plan living and dining area forms the heart of the home light-filled, airy, and opening onto uninterrupted sea views. The modern, fully-equipped kitchen connects easily with the lounge, ideal for relaxed indoor-outdoor living. This floor also holds the master suite, where you'll wake up to the sea, plus a family bathroom.

Lower Level: Down the internal staircase are two further double bedrooms, a shower room, and a separate utility/laundry room. Every bedroom has fitted wardrobes and benefits from plenty of natural

light.

Outdoor Living

This is where the villa really comes into its own. A kidney-shaped pool (7m x 3m) sits among mature, well-kept gardens, and several terraces give you the freedom to chase the sun all day perfect for long lunches, evening drinks, or simply soaking up the warm, dry Costa Blanca climate. A traditional brick barbecue completes the outdoor entertaining space, with the Mediterranean as your backdrop.
