Description:

Detached 4-Bedroom Barn Conversion with Over 4,000m2 of Grounds

Set within its own private grounds of more than 4,000m2, this impressive detached barn conversion offers generous living space, character features, and outstanding potential to create a truly exceptional home.

The heart of the property is the magnificent 97m2 open-plan lounge and dining room, featuring a striking cathedral-style ceiling that creates a wonderful sense of light and space. There is also a cosy snug for more intimate evenings, while all four bedrooms benefit from en-suite facilities (to finish) and are conveniently located on the ground floor. Mezzanine levels above both the snug and the kitchen provide additional flexible space, ideal for a home office, reading area, or occasional accommodation. The property is equipped with double glazing and gas-fired central heating.

The house is situated in a peaceful rural village with a primary school and a popular bar, approximately a 30-minute walk from the property. The market towns of Sauze-Vaussais and Lezay are both just a 10-minute drive away and offer a full range of everyday amenities, including shops, supermarkets, schools, medical services, and restaurants. The larger towns of Poitiers, Niort, and Angoulême are all within easy reach, while Poitiers Airport can be reached in under 50 minutes.

While the property is immediately habitable, it requires updating and improvement throughout, offering an exciting opportunity to complete and enhance a distinctive conversion with enormous character and

potential.
