Description:

Terraced Property for Sale in La Marina

This one-bedroom terraced property, known as "Rosita" model, is located in the La Marina Urbanisation on the Costa Blanca, within easy reach of a good range of everyday amenities – shops, bars, restaurants, and supermarkets ➡ are all within 600 m. The beach is approximately 3 km away, Alicante airport is around 25 km, and the nearest golf course is within 10 km. Despite being in a quiet residential setting, the property is well connected to everything the area has to offer.

The property has a total built area of 59 m², which includes ➡ a 15 m² underbuild that works well as a storage room. The remaining living space is arranged on the ground floor and benefits from a south-facing orientation, with natural light coming through for most of the day. There are two terraces – one to the front and one to the rear – giving the property good outdoor space on both sides, which is not always the case with terraced homes of this type.

The layout has been modified from the original Rosita model. Between the open kitchen and the living area, a separate room has been added – ➡ a versatile space that can serve as a home office, a hobby room, or simply additional storage, depending on the future owner's needs. The bathroom is fitted with a WC, sink, and shower.

A good investment with solid rental potential

With its south-facing aspect, two terraces, extra room, and underbuild, the property works well both as a

low-maintenance holiday base and as a rental investment.

✓ Highlights: south-facing property - 15 m² underbuild - walking distance to amenities - rental potential.
