Description:

Beautiful Detached Property for sale in La Marina, with Private Swimming Pool

We present a great opportunity to buy a spacious south-facing detached villa with ➡️ a private swimming pool in the popular residential area of Urb. La Escuera, La Marina. Located in a quiet neighborhood, the property offers plenty of privacy while remaining close to local bars, restaurants, supermarkets, and shops. The beach is just a short 3 km drive away, Alicante Airport is 25 km, and excellent golf courses are within 10 km. ➡️ Sitting on a generous 820 m² private plot, this single-level villa provides around 174 m² of living space, making it perfect for families looking for comfort in the sun.

Access to the property is via a long private driveway with secure gated parking big enough for multiple vehicles. It also features a covered carport and ➡️ a large private garage. Steps lead up to a raised garden and a large south-facing sun terrace that overlooks the pool and well-kept grounds. Inside, the villa opens into a bright lounge with a traditional fireplace, which connects through an archway to a dining area.

The kitchen comes fully fitted with granite worktops and appliances, alongside a separate utility room for laundry. A central hallway leads to three furnished bedrooms, all complete with built-in wardrobes. The master bedroom features an ➡️ en-suite bathroom with a corner shower, while a separate family bathroom with a bathtub serves the other two bedrooms. For added comfort, the home includes air

conditioning, central heating, double-glazed windows with mosquito nets, security grills, and an outdoor shower.

Outside, the grounds are designed for low maintenance, featuring paved areas and mature trees. The private swimming pool sits at the center, surrounded by spacious sun terraces, a retractable pergola, and a built-in concrete barbecue area for outdoor dining all year round.

A rare opportunity on the Costa Blanca – generous living space, excellent outdoor areas, and a convenient location.

This villa is a type of property that is hard to find today: a large, single-storey detached home with a private pool, full garage, and a south-facing plot of over 800 m², ➡️ sold fully furnished. Whether you want a permanent residence, a family holiday home, or a great investment property, this home ticks every box.

La Marina continues to be a highly popular choice for international buyers. Properties of this size and layout in La Escuera rarely become available, and they tend to sell quickly. The villa is key-ready and available for viewings now. Early viewing is highly recommended.

✓ Highlights: private pool - private garage - oil central heating - air conditioning - fully furnishes - and many more!
