Description:

There are places that cannot be explained, they are felt. This extraordinary 3 bedroom detached villa is a masterpiece of contemporary architecture. Designed to fuse minimalist design with the stunning landscape over the sea, this property redefines the concept of sophistication and well-being. Inserted in a generous plot of 885 m², the villa privileges perfect sun exposure and absolute privacy, where every detail was designed to elevate your living experience.

Floor 0: Where life happens. A magnificent open space with more than 63 m² integrates the living room and the high-end kitchen in a fluid and modern environment. Thanks to the generous glass shutters, the interior and exterior merge into one, letting natural light in freely with direct access to the solarium and the swimming pool. For total convenience, this floor also has an elegant 18.55 m² suite and a separate laundry room.

Floor 1: Going up to the first floor, we find two superb suites. The Master Suite (23.81 m²) is a true hymn to comfort, complemented by a magnificent walk-in closet and access to private porches to contemplate the sunset over the Atlantic. The second suite (17.48 m²) also offers maximum refinement and privacy.

Designed for outdoor living lovers, the exterior is an authentic private oasis:

Private Individual Pool: The perfect setting for Madeira's hot days.

"Al Fresco" Porches and Lounges: Covered areas designed for memorable meals and moments of pure relaxation.

Private Parking: Convenience and security right at the entrance of the property.

Located in one of the most desirable and valued locations on Madeira Island, this property represents a safe and very high profitability asset in the international luxury market or as an exclusive holiday refuge.
