Herastrau Park | Luxury 3-Bedroom Apartment | Ideal for Investment or Upscale Living

Located just 40 meters from Herastrau Park, this apartment sits in one of Bucharest's most sought-after residential areas. A location where demand remains strong and opportunities like this are increasingly rare. Fine dining, green spaces, business districts, and a premium lifestyle all come together here, making Herastrau one of the city's most resilient real estate markets.

The apartment offers 113 sqm of living space and is situated on the 4th floor of a boutique brick building completed in 2010. The layout includes a spacious living area, two bedrooms, two bathrooms, and two balconies. A private underground parking space and storage unit are included. The property is sold fully furnished and equipped, ready for immediate occupancy.

Premium finishes and features include:

- Carrara marble flooring throughout
- Quartz fireplace

- Granite bathroom finishes and countertops
- Custom-made MDF cabinetry
- Filomuro doors
- Underfloor heating
- Edra sofa and marble dining table
- Bosch appliances

Every detail has been carefully selected to combine comfort, quality, and timeless design.

This property stands out through its rare combination of location, space, and level of finish. New developments in the area rarely offer the same proportions, construction quality, or proximity to the park.

Herastrau continues to attract executives, entrepreneurs, and expatriates, supporting both long-term value appreciation and strong rental demand.

A property built on fundamentals that endure: location, quality, and scarcity.

Private viewings available by appointment only.
