Description:

Situated in the peaceful countryside of Marcos Mendes, Boliqueime, this beautifully maintained T3+1 villa offers the perfect balance between modern living, privacy and convenience.

Built in 2021 and presented in excellent condition, the property is arranged over three levels and has been designed to maximise both comfort and functionality. An independent property survey classified the villa as being in a very good state of conservation, reflecting the quality of construction and care invested in the home.

The ground floor welcomes you with a bright entrance hall leading to a spacious open-plan living and dining area, a fully equipped kitchen, a guest bathroom and a comfortable ground-floor bedroom. Large windows flood the living spaces with natural light and create a seamless connection with the outdoor terraces and pool area.

The first floor comprises two generous bedroom suites, each offering privacy, comfort and access to outdoor terraces overlooking the surrounding countryside.

One of the property's standout features is its substantial basement level. In addition to extensive storage

and multipurpose space, it includes an additional room that could easily function as a fourth bedroom, home office, gym, cinema room or guest accommodation, making this a highly versatile T3+1 property suitable for a wide range of lifestyles.

Outside, the villa enjoys a private swimming pool, sun terraces and landscaped areas designed for year-round outdoor living. Solar panels, electric gates and modern construction standards further enhance the property's appeal, while thermal insulation and quality materials contribute to comfort and energy efficiency.

Located just minutes from Boliqueime village and within easy reach of Vilamoura Marina, championship golf courses, international schools, beautiful Algarve beaches and Faro International Airport, this property offers an exceptional opportunity whether as a permanent residence, luxury holiday home or investment property.
