Description:

Located in Perafita, this 4 bedroom villa stands out for the advanced stage of construction in which it is, for the contemporary architecture and for the opportunity to complete a high quality house totally to your liking. Inserted in a quiet area, it also benefits from the proximity to Francisco Sá Carneiro Airport and the main road accesses.

The structure of the house is fully completed, with walls executed and several infrastructures already installed, significantly reducing the investment required for the completion of the work. The property is distributed by basement, ground floor and first floor. The basement is intended for a garage for four cars and storage. On the ground floor are the kitchen, laundry, service bathroom, living room and dining room with direct access to the patio. The first floor consists of four suites with generous areas, two of them with a balcony. Outside, there is a patio with about 80 m² and an annex with approximately 15 m², ideal for regional cuisine, barbecue or leisure space.
