Description:

Be captivated by these exclusive luxury new-build villas, located in the prestigious Serena Golf in Los Alcázares, on the sunny Costa Cálida. These unique properties are situated directly on the frontline of the golf course, allowing you to enjoy unobstructed views over the lush fairways and the shimmering blue sea.

Each villa has been designed with great attention to detail, offering the perfect combination of comfort, space and modern architecture. The homes feature three spacious bedrooms and three fully equipped bathrooms finished to the highest standards. The open-plan layout of the generous living room and modern kitchen creates a bright, welcoming atmosphere, further enhanced by large sliding windows that seamlessly connect the indoor living space with the terrace and private garden.

Outside, you will find your own private swimming pool, ideal for relaxing under the Mediterranean sun, along with a private parking space on the property. Everything has been built using top-quality materials and complies with the latest construction and energy efficiency standards.

The location of these villas is truly unbeatable: just a short walk from the wide sandy beaches of the Mar Menor, where the shallow, warm waters are perfect for families and water sports enthusiasts. The charming town centre of Los Alcázares, with its shops, restaurants, terraces and lively promenade, is also within walking distance. Serena Golf is also just a short drive away from several marinas, shopping

centres, and international airports, making it a highly attractive option both for permanent living and holiday retreats.
