Commercial premises with a total area of 58.75 m² are located in a very busy and attractive location, close to the city centre of Varaždin. The premises consist of one larger office room, a smaller room intended for a kitchen, and a toilet, providing a functional layout that can easily be adapted to various business needs. The property has gas heating, and an air conditioning unit has also been installed to ensure a comfortable stay throughout the year. The commercial premises include two uncovered outdoor parking spaces, which is a significant advantage considering the location in the city centre.
