Water hole to support irrigation and maintenance of the property

Location

Located at the entrance to Loulé, this property benefits from a strategic position that combines the tranquility of the countryside with the proximity to all essential services. The historic center of Loulé, schools, shops, restaurants and quick access to the main roads are just a few minutes away, allowing you to enjoy an excellent quality of life without giving up convenience. Beaches, golf courses and Faro International Airport are also within walking distance.

The size of the villa, the quality of the renovation, the existence of an independent ruin and the large plot

make this a rare opportunity in the market. Whether for a family looking for space and privacy, or for those who want to invest in a property with potential for appreciation and development, this is a property that brings together characteristics that are difficult to find in a single offer.

Book your visit now and discover for yourself the full potential of this extraordinary property.
