Designed for an immediate and worry-free moving experience, this apartment is sold fully furnished and equipped. The interiors privilege the feeling of space, with an open space kitchen perfectly integrated into the living room, and built-in wardrobes that optimize storage.

A generous balcony that invites you to relax and a laundry area.

This apartment has two private parking spaces.

The exterior of the development was designed as a private oasis, integrating a garden, a lounge area for socializing, a soft-entry pool finished in compacted sand and a sauna. All designed to provide relaxation and well-being, in the comfort of your own home.

Located in Estrela, municipality of Calheta, this new project benefits from the proximity to all the amenities of everyday life, with commerce, services and access at its doorstep, without ever losing the serenity characteristic of the area.
