Description:

Occupying a prime position within the prestigious Quinta Verde development, just minutes from the world-renowned resorts of Quinta do Lago and Vale do Lobo, this exceptional villa offers an outstanding opportunity to own a luxurious home in the heart of the Algarves Golden Triangle. Surrounded by championship golf courses, pristine beaches, award-winning restaurants and an unrivalled range of leisure facilities, the property is perfectly suited as a permanent residence, an elegant holiday retreat or a secure investment.

From the moment you enter through the private gates, the villa creates an immediate sense of sophistication and tranquillity. Elegant Italian-inspired water features and graceful fountains welcome you on arrival, while the scent of jasmine fills the Algarve air. A magnificent natural stone staircase leads to impressive double entrance doors, opening into a spectacular double-height entrance hall that sets the tone for the refined interiors beyond.

Inside, timeless architecture is beautifully combined with contemporary comfort. Generous living spaces are filled with natural light, enhanced by a soft neutral colour palette and premium finishes that create a bright, elegant and inviting atmosphere throughout the home.

The impressive principal suite provides a peaceful private sanctuary, enjoying beautiful views across the

surrounding umbrella pines. Offering ample space for a super king-size bed and direct access to a private balcony, it is the perfect place to enjoy a quiet morning coffee or relax while watching the sunset. Three additional bedrooms offer equally stylish and comfortable accommodation, each complemented by sleek, modern bathrooms designed to provide privacy and convenience for both family and guests.

The spacious kitchen and dining area form the social heart of the villa, providing an ideal setting for everyday living as well as entertaining. French doors open directly onto an expansive barbecue terrace, creating a seamless transition between the indoor and outdoor spaces and making al fresco dining effortless throughout the year.

The elegant living room flows naturally onto a generous terrace and beautifully landscaped gardens. Mature citrus trees, fragrant lavender and lush planting surround the inviting swimming pool, creating a peaceful oasis where relaxation comes naturally and the only sounds are the gentle breeze through the palms and birdsong.

As evening arrives, carefully designed ambient lighting transforms the gardens into an enchanting outdoor retreat. Inside, the villa is equipped with a comprehensive entertainment system, including Smart TV, Sky, BT Sport, UK terrestrial television channels and streaming platforms, all supported by ultra-fast fibre optic broadband.

In addition to its exceptional existing layout, the villa offers remarkable flexibility for future enhancement. The current configuration can easily be adapted to create a four-bedroom plus one residence, allowing the property to evolve with your lifestyle. The ground floor offers the opportunity to add an additional ensuite bedroom, ideal for guests or multi-generational living. The existing basement room could be converted into a practical and spacious laundry room, while the garage provides exciting potential to become a home cinema, games room, private gym or stylish entertainment space. The layout also lends itself perfectly to creating an impressive open-plan kitchen, living and dining area, bringing even greater light, flow and contemporary appeal to the home.

To help illustrate these possibilities, a selection of AI-generated concept images has been included, showcasing a range of potential redesigns and layout transformations.

More than simply a beautiful property, this villa offers an exceptional lifestyle in one of the Algarve's most prestigious residential communities. Combining privacy, elegance and an unbeatable location, Quinta Verde continues to be one of the region's most desirable addresses. Whether you are looking for a permanent family home, a luxurious holiday residence or a long-term investment in one of Europe's most sought-after destinations, this outstanding villa represents a truly exceptional opportunity.

For buyers wishing to acquire the offshore company associated with the property, the asking price is 3,150,000.
