Description:

We dare say that the apartment we are presenting to you now is UNIQUE in Caldas da Rainha! It feels just like living in a house!

This is a triplex 3-bedroom apartment in "like-new" condition (having served solely as a holiday home). It features dual aspect exposure (northwest/southeast) and abundant natural light, boasting a generous gross construction area of 241sqm. It includes additional rooms in the basement and a garage, all set within a private condominium that offers extra visitor parking, a swimming pool, a garden, and an orchard area.

An excellent property for permanent residence, for relaxing holidays and weekends (near Lisbon), or as an investment with guaranteed rental returns (short, medium, or long-term).

This apartment also features amenities such as a video intercom, a central vacuum system, and underfloor heating for colder winter days.

Both the front and rear facades of the building have recently been painted, and the condominium is managed by an external company.

Ideally situated between Lisbon and Leiria, it is just a 3-minute drive from the city center of Caldas da Rainha—a hub of vibrant commercial and cultural activity. It is close to the famous "Praça da Fruta" (Fruit Market), D. Carlos Park, the Rainha D. Leonor Woods, the hospital, pharmacies, the Cultural and Congress Center, schools, hypermarkets, restaurants, and the A8 and A15 highways.

It is also near wonderful Silver Coast beaches such as Foz do Arelho, São Martinho do Porto, and Baleal, as well as renowned destinations like Nazaré, Óbidos, Quinta dos Liridos, Alcobaça, Peniche, and the

Berlengas archipelago.

Even better is knowing that this apartment can be purchased fully furnished!
