House for a small price on the edge of the town of Ózd.

It is one of the former miners' cottages. Located on a quiet street on the edge of the town of Ózd.

The house contains a living room, bedroom, kitchen, and bathroom. The quality isn't even that bad. Good structure with a new door. The bathroom has been renovated.

The plot is approximately 300 m² in size and there is a second building on the property that you could turn into a guesthouse.

Electricity, gas and water are available. For drainage there is a connection to the sewerage system. The house can be heated with gas convectors. Internet connection is no problem.

The house is located in a quiet area on the edge of the town of Ózd.

Ózd is a provincial town in the north. Over 30,000 inhabitants live in Ózd and it is a fairly big city. Everything a city can offer you is here

Szilvásvár known for its horses is located 15 km to the south. A little further you will find the city of Eger with the beautiful centre with the castle and the basilica. The caves in Lillafüred are highly recommended for a tourist trip.

If you want to live in Hungary for small money, this is a nice option.
