Description:

A restored estate with pool, fine vineyards and olive groves, in the authentic heart of the Florentine countryside, for sale in Greve in Chianti.

In the heart of Chianti Classico lies this organic estate, an authentic medieval village dating back to the 1200s that embodies the essence of Tuscany. The property covers a total area of over 31 hectares/76.6 acres, a mosaic of outstanding agricultural land comprising 4.24 hectares/10.5 acres of DOCG vineyards and 1.35 hectares/3.34 acres of olive groves, offering an oasis of complete privacy and harmony with the surrounding natural landscape. The rural architecture celebrates tradition through skilfully restored exposed stone façades, where the warmth of the natural material blends with the elegance of the finishes. Inside, the ceilings reveal exposed wooden beams and terracotta tiles, whilst the Tuscan terracotta floors and large stone fireplaces create spaces of understated and timeless elegance. The residential complex covers 882 sq m/9493.7 sq ft and is divided into two main sections offering a total of 19 bedrooms and 12 bathrooms. Section A is dedicated to hospitality, comprising six self-contained apartments, whilst Section B comprises the main residence, a further four apartments, a refined guest house and the estate's operational premises. The wine-making operations are supported by 701 sq m/7545.5 sq ft of technical outbuildings, including a winemaking cellar, a barrel cellar for ageing wine and a tasting room with offices. Outside, there is a 13x7 m/42.7x22.9 ft infinity pool overlooking the panoramic views. Well-maintained gardens, brick terraces and private parking areas complete this property, where organic production blends with a prestigious lifestyle.
