Description:	

Move-in ready villa where you can start enjoying yourself immediately. Some homes require a long to-do list. Not this villa. Everything is already set up here, so all you have to do is unpack your suitcases. From the fully equipped kitchen to the washing machine, dryer, wine cooler, and even three televisions. It feels more like someone has pressed pause than like you are stepping into an empty new-build home. The house is spread over two floors and offers three spacious bedrooms and three stylish bathrooms. The open kitchen connects beautifully to the living area, allowing the indoors and outdoors to flow seamlessly into one another. Thanks to the large terraces, you can enjoy Spanish outdoor living at any time of day, whether it is with breakfast in the morning sun or an aperitif by the pool. Outside, a private pool awaits where you can cool off wonderfully on warm days. The various terraces always offer a spot in the sun or just in the shade. This way, you live here not only *in* the house, but especially *around* it. This villa also scores particularly well in terms of practicality. You have a laundry room, a spacious basement that serves perfectly as a hobby room, gym, or extra storage, a garage, and an extra parking space at your disposal. Naturally, air conditioning is provided to ensure the interior remains comfortable all year round. This villa is ideal for those who want to move to Spain without any worries or are looking for a second home where absolutely everything is already present. All you have to do is put your own personal stamp on it and enjoy. Move-in ready villa for sale in Dolores. Modern villa including washing machine, dryer,

wine cooler, and 3 televisions. 3 bedrooms, 3 bathrooms, 2 floors, fully equipped open kitchen, laundry room, air conditioning, garage, parking, spacious basement, various terraces, and private swimming pool.
