Description:

Available immediately, this beautifully presented two double bedroom flat occupies the entire top floor of a striking period building on Wimbledon Park Road, Southfields. Offering 724 sq ft of well-proportioned accommodation, this is a rare find for tenants wanting space, light, and location in equal measure. Inside, the flat has been freshly refurbished with a brand new bathroom and a fully fitted kitchen, while the large reception room enjoys far-reaching views and plenty of natural light. Both bedrooms are genuine doubles, making this an excellent option for a professional couple or two sharers looking for equal-sized rooms. Outside, tenants benefit from their own private section of the rear garden — a real rarity for a top floor conversion flat in this price bracket. The location is hard to beat for transport: Southfields and East Putney Underground stations (District Line) are both within easy walking distance, putting central London, the West End, and the City within easy reach. Southfields Village itself offers an excellent range of independent shops, cafes, and restaurants right on your doorstep, along with easy access to Wimbledon Park and Southfields Common for green space and weekend leisure. Offered unfurnished and available now, this flat is ideally suited to professional sharers or a working couple looking to move quickly.
