Description:

Spacious 5-Bedroom Detached Villa with open Views in Puerto de la Torre, Málaga

This beautifully maintained 3-storey detached villa offers generous living space, modern upgrades, and a peaceful location in the highly sought-after area of Puerto de la Torre, just 15 minutes from Málaga city centre.

The property features 5 spacious bedrooms and 3 bathrooms, including a fully renovated en-suite bathroom in the master bedroom (completed in June 2026). The villa benefits from a large basement, providing excellent additional living, storage, or recreational space.

Designed for comfortable year-round living, the home includes air conditioning, a fireplace, private parking, and a new fully fitted kitchen installed in November 2025. The interior was freshly repainted in February 2026, while the exterior garden walls have also been recently repainted, ensuring the property is presented in excellent condition.

Outside, you'll find a private garden backing directly onto the countryside (campo), offering beautiful open views and a unique sense of privacy. A rear gate provides direct access to walking trails, making it ideal for dog owners and outdoor enthusiasts. Importantly, no future development can be built between

the property and the nearby highway, preserving the uninterrupted views for years to come.

The location combines tranquillity with convenience. Aldi and Mercadona supermarkets are nearby, while the centre of Puerto de la Torre is within walking distance or a short bike ride away. Children's playgrounds are also close by.

Excellent transport links make commuting easy. Andalucía Tech Metro station is just a 5-minute drive away, with convenient parking and direct connections to Málaga city centre. A nearby bus stop also provides regular services into the city.

A fantastic opportunity to acquire a spacious family home in one of Málaga's most desirable residential areas, combining modern comforts, open countryside views, and excellent access to the city.
