Description:

Located in the São Sebastião area, this magnificent two-family villa with independent entrances, offers a perfect combination of comfort, convenience and even the opportunity to modernize to the personal taste of the future owner.

With a floor area of 193 square meters and a plot of 585 square meters, this property stands out for its functional design, ideal for families looking for a large and welcoming space.

The areas are generous in all rooms, ensuring privacy and convenience for all residents and guests.

It consists of a basement, ground floor and first floor. Currently its use is autonomous, where both floors have access through a common entrance hall. It can be converted into a single large dwelling.

The property has vast characteristics that raise its quality of life, such as the quiet and privileged location, as it is located in one of the most outstanding and sought after places at the entrance to the city, being able to walk to the center and with quick access to the airport, beaches, golf courses and shopping areas. And also the proximity to schools, hospitals, pharmacies, playgrounds and cultural spaces.

It stands out for its excellent sun exposure, stunning views of the sea, the mountains and the rural and characteristic landscape, such as the Church of Nossa Senhora da Piedade.

It is the perfect space for outdoor leisure time with family and friends. The well-kept garden, combined with a barbecue area, creates an ideal environment for socializing and relaxing moments, having the potential to run a swimming pool.

This villa is especially practical for those who value comfortable and well-structured living.

Highlights:

- * 5 bedrooms, 2 of which are en suite
- * 5 bathrooms
- * Ideal for large families, family accommodation or investment or in a perspective of profitability
- * Basement, with natural light in different areas, consisting of a garage with capacity for several cars. It also includes a bedroom, bathroom and offers other areas with capacity for a gym, office or maybe convert into an extra apartment.
- * Possibility of swimming pool, subject to approval by the city council
