Description:

Located in the charming setting of San Juan de los Terreros, this exclusive residential complex offers a limited selection of six properties, distributed in high-bungalow and low-bungalow typologies. These homes have been designed to provide maximum comfort and functionality, integrating modern features that facilitate a contemporary lifestyle. The prime location in San Juan de los Terreros allows for the enjoyment of a tranquil and welcoming environment, ideal for those seeking a seaside retreat. The properties are equipped with advanced technology, including video intercom and electric shutters, ensuring comfort and security for their residents. Additionally, each home features air conditioning, built-in wardrobes, and appliances, guaranteeing a home ready to be lived in. The outdoor spaces of these homes in San Juan de los Terreros are designed to maximize enjoyment of the Mediterranean climate. Each property offers a private garden, perfect for creating a personal green space to relax or enjoy outdoor activities. Additionally, the terraces provide an ideal place to enjoy the views and fresh air, becoming an additional space for leisure and entertainment. The inclusion of a solarium in each home allows residents to make the most of the sun throughout the year, offering an exclusive space for sunbathing or simply enjoying the panoramic views of the surroundings. The interior of these homes in San Juan de los Terreros is carefully designed to offer a cozy and functional space. With a layout that includes two bedrooms and two bathrooms, each property is designed to meet the needs of its residents. The bedrooms are equipped with built-in wardrobes, providing ample storage space. The inclusion of air conditioning ensures a comfortable environment throughout the year. Additionally, the homes are

equipped with modern appliances, facilitating daily life and ensuring that each home is ready to be lived in from day one. The residential complex features spacious common areas that include landscaped areas and a communal pool. These facilities are designed to promote an active and social lifestyle, offering residents a space to relax and enjoy the natural surroundings. The communal pool is ideal for cooling off during warm summer days, while the landscaped areas provide a tranquil and green environment for walking or simply enjoying nature.
