ABOUT THE AREA

Langkawi is an archipelago off Malaysia's northwest coast. It's known for its beaches and clear waters. On the main island, also called Langkawi, the SkyCab cable car runs to and from the top of Machincang mountain. From the summit, the SkyBridge curves out above the trees. Trails run through the jungle to Telaga Tujuh, or the Seven Wells Waterfall. Kilim Karst Geoforest Park is home to mangrove forests and caves.

Forested hills, romantic white-sand beaches and crystal-clear waters greet visitors to tropical Palau Langkawi, the largest of the 99 islands in Langkawi archipelago. Known mysteriously as 'Legendary Island' because of myths associated with its ancient geological formations, it drifts serenely alongside Malaysia in the azure Andaman Sea. Sample local cuisine at the night markets, hike to dramatic waterfalls or dive into an underwater marine park to take a guided glimpse at life beneath the sea.

The best things to do in Langkawi include natural landscapes, expansive parks, and iconic structures that no first-time visitor should skip on their travel itinerary. On one of Malaysia's best-known island, you can also enjoy great food, excellent diving opportunities, exciting nightlife, and duty-free shopping.

Langkawi's pristine beaches - Datai Bay, Pantai Cenang, and Tanjung Rhu - are rated among the best in the world. There are plenty of sights to explore throughout your holiday, so check out our comprehensive list of the most popular things to do in Langkawi.
