OPATIJA, BRSEČ - Authentic stone house with two apartments, 76m2

For sale is a renovated authentic stone house near the picturesque Brseč, perfectly integrated into a peaceful coastal environment.

It is a smaller detached house that extends over two floors and offers two separate, furnished living spaces, each with its own entrance.

On the ground floor there is a cozy studio apartment, furnished with special attention to provide maximum functionality in a smaller space.

It consists of a fully equipped kitchen connected to the living area. The sleeping area is separated by a partition.

On the first floor there is a one-bedroom apartment consisting of a kitchen and living room and its own bathroom. The space is bright, air-conditioned, ready to use.

The house has a categorization, which makes it an excellent opportunity for tourist rental, but it can equally well serve as a personal home in a peaceful environment from which to experience authentic coastal life.

There is a parking space next to the house, and with a little leveling of the terrain, two parking spaces or a terrace can be obtained for a pleasant stay in a green environment.

A path leads from the house to a beautiful beach, only 15 minutes away.
