Description:

Set amidst the tranquil surroundings of Ubud East, this exquisite 2-bedroom villa offers a harmonious fusion of contemporary design and the serene beauty of Bali. This off-plan property spans a generous 341-square-meter plot with a meticulously crafted 177-square-meter build. From its panoramic rice field views to the dramatic cliffside overlooking the river, this villa presents an idyllic retreat for those yearning to reconnect with nature.

Inside, the villa boasts three well-appointed en-suite bedrooms, an open-concept living area bathed in natural light, and a peaceful yoga sanctuary. Thoughtfully integrated design elements, big garden and expansive windows, create a seamless flow between indoor comfort and the lush outdoors. Whether you seek a haven for mindful living or a nature-inspired escape, this villa embodies the essence of modern tranquility.

Located in the heart of Ubud East, the property combines seclusion with convenience. Its proximity to Ubud's cultural landmarks, wellness centers, and renowned culinary delights ensures a lifestyle enriched by art, community, and well-being. Whether for personal enjoyment or as a strategic investment, this villa offers an extraordinary opportunity to embrace Bali's charm and potential. Don't miss the chance to claim your perfect sanctuary today!
